## PROFESSIONAL SUMMARY

MCA graduate and Full Stack Developer skilled in Python, React.js, Node.js, SQL, Firebase, and REST APIs, with two production-deployed applications live in the market. Experienced in building and shipping end-to-end web applications, from database design through responsive front-end interfaces, using React.js, Tailwind CSS, and Firebase. Seeking a Full Stack Developer, Python Developer, or Software Developer role to build scalable, user-focused products.

## CORE SKILLS

**Languages:** Python

**Frontend:** React.js, Redux Toolkit, HTML5, CSS3, Tailwind CSS, Bootstrap

**Backend:** Node.js, REST APIs, API Integration

**Databases:** SQL, Firebase Realtime Database

**Tools:** Git, GitHub, Linux

**GenAI Foundations:** Generative AI, Prompt Engineering

## INTERNSHIP EXPERIENCE

### Web Developer Intern — Zidio Development

Sep 2026 – Dec 2026

Bengaluru, Karnataka, India (Remote)

- Assisted in the design, development, and deployment of responsive web applications using modern front-end and back-end technologies, collaborating with UI/UX teams to implement intuitive interfaces
- Wrote clean, modular, well-documented code adhering to industry best practices, while integrating third-party APIs and back-end services for dynamic application functionality
- Participated in code reviews, debugging sessions, and performance optimization tasks, supporting the team in maintaining project documentation under agile methodologies

### Web Application Developer Intern — Suven Consultants and Technology Pvt. Ltd.

Aug 2024 – JUL 2025

Mumbai, Maharashtra, India

- Developed and tested a full-stack grocery delivery platform using Java, JSP, Servlets, HTML, CSS, JavaScript, and MySQL, covering both backend logic and user-facing screens
- Engineered core backend workflows for order processing, inventory management, and user authentication, improving data consistency across modules
- Automated data processing pipelines using Java and MySQL, reducing manual data-handling steps and speeding up order-to-fulfillment turnaround

### Front-End Developer Intern — Oasis Infobyte

Apr 2023 – Jul 2023

- Built and styled responsive front-end components across multiple web projects using HTML, CSS, and JavaScript
- Collaborated with a development team using agile practices to deliver engaging, cross-browser responsive web interfaces

## PROJECTS

### TutorNear — Nearby Tutor Booking & Management Platform *React.js, Firebase, Cloudinary, Leaflet* | Live Demo:

<https://tutornear.vercel.app>

- Built and deployed a hyperlocal, map-based tutor discovery and booking platform with GPS-based attendance tracking and AI-powered tutor recommendations, using React.js and Leaflet
- Designed a tutor ID verification workflow with admin approval/rejection controls, powered by real-time Firebase listeners for instant status updates
- Deployed live at tutornear.in

### VeggieVibe — Fresh Grocery E-Commerce Platform *React 18 + Vite, Redux Toolkit, Tailwind CSS, Firebase* | Live Demo:

<https://veggie-vibe.vercel.app>

- Developed and deployed a full-stack grocery delivery platform using React 18 + Vite, Redux Toolkit, and Firebase (Auth, Firestore, Storage), featuring cart persistence, OTP-based authentication, and real-time product sync across devices
- Built an admin dashboard with sales analytics (Recharts), product/coupon management, and secure Cloudinary-based image handling through a Vercel serverless function, giving admins real-time visibility into sales performance
- Implemented smart coupon validation with auto-suggestions, multi-page navigation via React Router v6, and smooth UI animations throughout using Framer Motion

### Personal Portfolio Website *HTML, CSS, JavaScript* | Live Demo: <https://indraneel-bhattacharjee-portfolio.vercel.app>

- Designed and built a responsive personal portfolio with dark/light mode toggle, smooth scrolling, custom animations, and mobile-first navigation

## EDUCATION

### Master of Computer Applications (MCA)

Sep 2024 – Jun 2026

Techno India University, Kolkata

CGPA: 8.36

### Bachelor of Computer Applications (BCA)

Aug 2021 – Jul 2024

Swami Vivekananda Institute of Modern Studies

CGPA: 7.20

## CERTIFICATIONS

- Oracle Cloud Infrastructure 2025 Certified AI Foundations Associate
- SAP University Alliances — SAP S/4HANA Development: ERP Fundamentals & Enterprise Concepts
- Coursera — HTML, CSS, and JavaScript for Web Developers
- Udemy — Complete MS Office and Web Design Development Course
